

## Bible Character series of readings – week 13

### 24<sup>th</sup> January - Moses

**Monday: Exodus 2:1-15. Moses' miraculous protection:** Moses avoided death twice at Pharaoh's command. He was immortal until he had completed what God had prepared him to accomplish, and so are we!

**Tuesday: Exodus 3:1-14. Moses, called by God:** Although God attracted Moses through a bush on fire, He did not speak to him until he went to look. Are you in the right place with a right attitude for God to speak to you?

**Wednesday: Exodus 4:29 – 5:21. Moses, God's messenger:** After four centuries of silence, they were amazed when God showed his concern for Israel (4:31). Even so, things got worse before they got better! Faith and trust are not developed in times of blessing.

**Thursday: Exodus 11:4 - 12:13. Moses final message to Pharaoh:** With God, judgement is never immediate or harsh although it may seem so. The death of a lamb provided a way to avoid it, just as the death of Jesus provides for us today!

**Friday: Exodus 19:24 - 20:21. Moses, the Lawgiver:** The 10 commandments reveal God's character and holiness. Thank God for the forgiveness Jesus gives when we fail to live up to the high standards of God.
