

Bible Character series of readings – week 32

5th June – Andrew

Monday: John 1:35-42. John's testimony led to Andrew's conversion and he started to follow Jesus. Notice the first thing he did was to share his faith with his family (v41). Thank God for those who shared their faith with you and pray for someone to share your faith with this week.

Tuesday: John 6:1-13. Andrew can't help introducing people to Jesus! Here his willingness to help in a small way prepares the way for a great miracle. What can you learn from his example and put into practice today?

Wednesday: Mark 13:1-8. Andrew and the other three disciples here have a real desire to learn from Jesus and understand his teaching. How can you change your focus from your own circumstances, to understand the big picture of what God is doing in the world?

Thursday: John 12:12-22. Andrew was never slow to get the Master's attention and especially not when others wanted to meet with Jesus. Make their request in verse 21 your prayer for today.

Friday: Acts 1:6-14. Andrew is listed among the disciples who were involved in the prayer meeting before the Holy Spirit came at Pentecost. Individual prayer is important but it is also important to be at prayer meetings and seek God with others.
